## Sponsorship opportunities

*We indicate here some of the Conference sponsorship opportunities that we have identified, while remaining available to evaluate all your possible offers in this regard, even if not listed here.*

### Basic Sponsorship: € 2,000 + VAT

- your logo and link to your company website on the "Sponsors" page of the Conference web portal, both locally in the rooms and on the Web Based platform used for on-line remote participation. Both the portal and the platform will remain on-line for ten years;
- your logo printed in the abstract book distributed to all participants.

### Extended Sponsorship: € 3,500 + VAT

- one free registration to the Conference;
- your logo and link to your company website on the "Sponsors" page of the Conference web portal and, both locally in the rooms and on the Web Based platform used for on-line remote participation. Both the portal and the platform will remain on-line for ten years;
- your logo printed in the abstract book distributed to all participants.
- an entire, exclusive advertising page for your company published in the abstract book, your advertising material or your personalized gadgets in the Conference bag distributed to all participants.

### Sponsorship with exhibition space: € 6,000 + VAT

- up to three free registrations to the Conference;
- your logo and link to your company website on the "Sponsors" page of the Conference web portal and, both locally in the rooms and on the Web Based platform used for on-line remote participation. Both the portal and the platform will remain on-line for ten years;
- your logo printed in the abstract book distributed to all participants.
- an entire, exclusive advertising page for your company published in the abstract book, your advertising material or your personalized gadgets in the Conference bag distributed to all participants.
- an exhibition space to sponsor your products during the conference.
